

Steps to Search for Scholarships

- **Conduct a web search on websites with scholarships database**

Visit sites such as HispanicAllianceSC.com, Scholarships.com, SallieMae.com, Unigo.com and use Google engine to seek for scholarships. Don't forget to ask your counselor for a list of local scholarships!

- **Create a list of scholarships that might be a match**
Save a list of scholarships that you might qualify for based on the requirements and if you are a good match.

- **Organize your list of scholarships**
Choose which scholarships from your list appeal most to you and start applying based on the deadlines for applications!

- **Apply for the scholarship**
Remember that you can't win scholarships if you don't apply!

- **Organize yourself and apply to the next one!**
Applying for scholarships is not a one time deal. Take time in between scholarships to organize yourself and apply to the next one.
