Job description:

Job Overview

We are actively seeking dedicated Bilingual Personal Caregivers to provide compassionate support and assistance to clients in the Greenville, SC area. This role offers an opportunity to make a meaningful difference in individuals' lives by delivering personalized care tailored to each person's needs. The position involves working 20 to 30 hours per week, with a focus on enhancing quality of life through attentive and respectful caregiving. Ideal candidates will possess strong communication skills in both English and Spanish, along with a genuine passion for supporting individuals with diverse care requirements.

Responsibilities

- Assist clients with activities of daily living (ADLs), including bathing, grooming,

dressing, and mobility support using appropriate patient transfer methods such as Hoyer lifts.

- Monitor and observe patients' health status, documenting vital signs and reporting any changes or concerns promptly.
- Prepare nutritious meals aligned with individual dietary plans and assist with meal consumption as needed.
- Support patients with medication administration following HIPAA guidelines and care plans established by healthcare professionals.
- Maintain a clean, safe, and organized environment by performing light housekeeping tasks such as cleaning and laundry.
- Provide companionship and emotional support to promote mental well-being and social engagement.

- Assist with transportation for medical appointments or community outings, ensuring safety and comfort during travel.
- Follow all protocols related to patient safety, resident’s rights, and confidentiality while delivering high-quality home health or hospice care.

Skills

- Prior experience working in group homes, assisted living facilities, nursing homes, or home health environments is highly desirable.
- Knowledge of dementia care, Alzheimer’s care, memory care, and neurodevelopmental disorders enhances caregiving effectiveness.
- Proficiency in patient observation, monitoring vital signs, administering medications, and implementing care plans

Strong communication skills in both English and Spanish to effectively interact with clients, families, and healthcare teams.

- Ability to perform manual handling tasks including heavy lifting and patient transfers safely and confidently.
- Familiarity with HIPAA regulations, patient rights, first aid, CPR, and basic medical procedures ensures compliance and safety.
- Experience supporting individuals with disabilities or developmental delays demonstrates versatility in caregiving approaches.
- Competence in meal preparation, personal transportation assistance, light housekeeping, and assisting with ADLs contributes to holistic client support.

Join our team to provide exceptional bilingual

caregiving that empowers individuals to live comfortably and independently while receiving compassionate support tailored to their unique needs!

Benefits:

- Employee discount
