

# COMPASS OF CAROLINA

## JOB DESCRIPTION

**Position Title:** Contract Group Counselor (Facilitator)

**Organization Summary:** 20224 celebrates 105 years of Compass helping Upstate Citizens, founded as a girls home on Main Street, our leadership was at the forefront of many systems or nonprofits we now know. Today, our core services are divided into three categories: mental health counseling, family violence intervention, and representative payee services to those with disabilities and unable to manage their financial benefits from Social Security or the Veteran's Administration.

We provide individual child, adult and family trauma informed affirming therapy and accept insurance and/or EAP. In addition, Compass facilitates weekly groups in the areas of anger management, adolescent second chance, victim to survivorship, batterer intervention and Veteran Resiliency. Groups are in-person or telehealth, English and Spanish.

### **Job Requirements:**

- Facilitates groups as scheduled, utilizing a Compass approved curriculum.
- Prepared to start group at designated time.
- Individual client notes documentation
- Utilize Compass Client Portal
- Ability to do client treatment plan and/or assessments, as needed.

### **Method and Type of Supervision Required:**

- Able to work independently.
- Regularly scheduled consultation with Supervisor as needed.

### **Required Education and Experience:**

- Master's Degree or equivalent experience or, bachelor's degree with at least 2 years of experience in family violence services and/or adolescent counseling experience.
- Must possess excellent communication and organizational skills with attention to details, responsiveness to supervision and adherence to professional ethics.

### **Preferred:**

- LISCW-CP, LMFT, or LPC
- LAC certification
